

## MCI Project Weekly Time Sheet

Team 19		Student ID a1811379		Week starting: 8			
Day	Date	Time In	Time Out	Total hours	Task	How does it fit into project plan?	Outcome/Next action
Monday	2022/5/2	6:00 PM	11:59 PM	6	Based on sql_parse, add some function manually to extract join statement.	Extracting the join statement is also an important part of parsing sql queries.	The join statement was successfully extracted, but the storage format was not determined.
Tuesday	2022/5/3	7:00 AM	12:00 PM	5	Attend workshop and display our project to client to get feedback. Check Report to avoid formatting and syntax issues.	Report to Client on the results of the current phase of our project.	Record the video of the workshop and upload it to the web site. Completed report draft
Wednesday	2022/5/4	12:00 PM	12:00 PM	0	Take a day off to visit GP, so there is no Task.	N/A	N/A
Thursday	2022/5/5	2:00 PM	5:00 PM	3	Attend lectures and workshops to get client's feedback. Discuss the next division of labor.	To define the front-end framework for our project	After discussion, first we need to identify the suitable open source project for us from the projects given by client.
Friday	2022/5/6	5:00 PM	10:00 PM	5	Our teacher gave us several open source projects, and we needed to find the right one for us.	Make sure that the language or framework of the open source project is one that we are familiar with.	Selected a few suitable open source projects.
Saturday	2022/5/7	12:00 PM	4:00 PM	2	Keep looking for open source projects that fit our needs.	Make sure that the language or framework of the open source project is one that we are familiar with.	Only two suitable open source projects are left.
