

MCI Project Weekly Time Sheet

Team 19		Student ID a1809187		Week starting:			7
Day	Date	Time In	Time Out	Total hours	Task	How does it fit into project plan?	Outcome/Next action
Monday	2022/4/25	6:00 PM	10:00 PM	4	Work on the milestone report. Try to figure out a better way to store the data in order to improve the efficiency to generate the graph.	The milestone report could help us figure out our project progress. And improve the efficiency to generate the graph could help to increase the user experience.	Milestone report started, and set the target to deliver a draft before the meeting on Thursday
Tuesday	2022/4/26	10:00 AM	5:00 PM	7	Work on the parse case function, assign each part of the milestone report to team members. Transfer the uploaded csv file into the required data structure for the project	The parse case statement function became more important from this week, so I decided to put this task as high priority. Also, assign tasks to each team member is also an important method to increase efficiency.	Continue working.
Wednesday	2022/4/27	12:00 PM	7:00 PM	7	Continue working on the case function, milestone report and data structure transfer. Communicate with client through slack to get some feedback.	We need to report our current progress to the client to get some feedback.	Continue working, reported our progress to the client.
Thursday	2022/4/28	1:00 PM	3:00 PM	2	Complete my part of milestone report and continue working on the case function and data structure transfer. Also complete the agenda.	Complete the milestone report as soon as possible to spend more time the code.	Complete the Team reflection on progress part for milestone report and agenda.
Friday	2022/4/29	5:00 PM	9:00 PM	4	Complete the data structure transfer for frontend data flow map in order to show the graph after uploading the file.	Uploading is a big function for the project since the user need to upload their own dataset to see the result.	Function complete. Now the user could upload their own dataset.
Saturday	2022/4/30	12:00 PM	3:00 PM	3	Improve the milestone report	Complete the milestone report as soon as possible to spend more time the code.	Continue working.
